

DATE: September 20, 2021
TO: Residents, Families and Friends
FROM: Christal Ostrowski, LPN Executive Director
RE: POST EXPOSURE – GUIDANCE

Thank you for your patience and understanding this past week as we've been working through probable exposure "response" measures such as Point-of-Care Antigen Testing for SARS-CoV-2, room restrictions, and visitation restrictions (except end-of-life or compassionate care, etc.). Based on further guidance received this afternoon from the Pennsylvania Department of Health | Bureau of Epidemiology we must continue to maintain no communal meals or activities and no visitation through Saturday, September 25, 2021. If all residents and staff continue to test negative between today and September 25, 2021 we will lift restrictions on Sunday, September 26, 2021.

If you have any questions or concerns, please speak with our Resident Services Director (Jackie Storey-Akins, LPN), our Support Nurse Supervisor (Deb Negley, LPN) or myself.

As always, thank you for your support, understanding and cooperation throughout these unprecedented times.
